

STEPHEN KERNAN

950 E RUE DE LA BANQUE, CREVE COEUR, MO 63141
(636)524-1470 | SKERNAN@HARDING.EDU

OBJECTIVE

I am a self-taught developer seeking work in an environment which pushes me to grow and to learn while putting me in a position to meaningfully contribute to the efficiency and effectiveness of the company.

SKILLS

- HTML5
- CSS3
- JAVASCRIPT
- PYTHON
- VERSION CONTROL
- TERMINAL/CLI
- VIRTUAL STUDIO CODE
- BRACKETS
- ADOBE PHOTOSHOP
- MICROSOFT OFFICE
- AGILE METHODOLOGY

PROJECTS

ROCK, PAPER, SCISSORS GAME

LANGUAGES USED: HTML, CSS, JAVASCRIPT

A website in which the user plays a best-of-five game of rock, papers, scissors against the computer. The website keeps track of the score and ends the game when either the computer score or user score equals 3.

LEBRON JAMES TRIBUTE PAGE

LANGUAGES USED: HTML, CSS

A static, responsive website which tracks a basic timeline of LeBron James' career.

SURVEY

LANGUAGES USED: HTML, CSS

A static website set up to survey the user regarding the features they would want included in their ideal Super Smash Bros. website.

WORK EXPERIENCE

FINANCIAL RELATIONSHIP CONSULTANT REGIONS BANK, CREVE COEUR, MO

- Improved customer experience as Digital Coach by teaching them to use online/mobile options
- Consistently met/exceeded goals
- Led the branch in customer satisfaction surveys

INTERN PURE HEART VISION, SEARCY, AR

- Updated website content
- Organized online conference meetings
- Developed solutions for tech-related issues, such as memory management, email, etc.

EDUCATION
